

ERRATUM

In the review article by Gui et al., entitled "Multidetector CT appearance of the pelvis after cesarean delivery: normal and abnormal acute findings" (Diagn Interv Radiol 2016; 22:534-541. DOI 10.5152/dir.2016.15593) that was published in the November 2016 issue of Diagnostic and Interventional Radiology, an incorrect list of references was published due to a technical error. This has been corrected in the online versions of this article.
