

Reviewer awards and acknowledgements

Nevzat Karabulut
Editor in Chief

Peer review process and the reviewers are crucial to the success of any scientific journal. The expert opinions they provide improve the overall quality of published papers. Each year, numerous independent reviewers invest substantial time, efforts and expertise to manuscripts evaluated by *Diagnostic and Interventional Radiology*. On behalf of the Editorial Board, I am pleased to acknowledge these efforts in an annual fashion.

Distinction in reviewing in 2013

I am pleased to extend special recognition to a group of reviewers for their distinguished service to *Diagnostic and Interventional Radiology* in 2013. In recognition of their consistently high quality, detailed, scholarly, and timely reviews, I am pleased to announce the following individuals as the recipients of 2013 Editor's Recognition for distinction in reviewing:

Cem Yücel	Funda Obuz	Murat Kocaoğlu
Chang Min Park	Giuseppe Brancatelli	Senem Şentürk
